COLLEGE NOTES.

E. R. Ray spent Saturday in the city.
H. J. Hanson spent Sunday in the city.
Bear in mind the War Song Concert for May 14.
J. B. Tewksbury spent Sunday at his home in Englewood.
The Kappa Sigma boys are wearing new summer "frat" hats.
D. S. Wentworth visited friends in North Hall over Sunday.
War and rumors of war have held their undisputed sway this week.
S. R. Brearley returned to Lake Forest for a few days last week.
These are the days when the burden of the Senior's thesis is heavy.
"In the spring a young man's fancy lightly turns to thoughts of—study."
Bloomingston, Hayner and Gilleland spent Saturday afternoon in Lake Forest.
A few of the "fans" attended the opening home game of the Chicago League, Friday.
Even Jackson's dog gambles (gambols) on the greensward and the lamps smoke in the dormitory.
Messrs. Graff, Loranz, Miller, Colwell and Herrick attended Sousa's concert at the Auditorium last Friday evening.
A number of Alumni came out Saturday to play the Varsity base ball team but the game was postponed because of rain.

The Glee Club is planning to give a concert in Waukegan very shortly. A dance will probably be given after the programme.
A call for twenty-five volunteers from Lake Forest College has been made to help the formation of a company of college men in Logan's cavalry. Chicago University and Northwestern are foremost in their interest in this company.
For the past week "after dinner" concerts (minus an audience, however) have been all the rage with the dormitory boys. Even the ancient and grey haired songs of bygone years are made presentable and attractive in that matchless flow of melody.
J. Scouller, '01, departed from Lake Forest Tuesday in a flurry of excitement and an old wagon which was draped with flags and drawn by about fifty students. The procession was led by Mr. Loranz and his star band. Scouller and Skinner, both of '01, are the only students who have yet left for the war.

ACADEMY NOTES.

Hairbern was a visitor at the Eliza Remsen last week.
Stanley C. Foote visited Saturday and Sunday in the city.
A. E. Hall spent Saturday and Sunday at his home in Elgin.
Wanted, a policeman to whom Spiv may tell his troubles.
The contract for the track has been let and work will begin today.
The new "dorm" bicycle room is about completed, thanks to the good work of Millar.

Since the war is on, many of the boys get up an appetite by going for the morning papers.

As yet no one has volunteered to go to the front for the purpose of slaughtering the heathen Spaniards.

Preston is rapidly recovering and will be able to take the journey to his home in another week.

A new sixteen pound shot and a twelve pound hammer have been added to the field team equipment.

The Y. M. C. A. prayer meeting hour has been changed from Tuesday to Friday night because of the change of holiday.

The base ball team has lost a valuable man in Cameron, who will be unable to play. Cameron is a sure fielder and strong at the bat.

The work in Geometry is now entirely in original theorems and although more interesting than the text book work it is by far more difficult.

Offield and Banning, while engaged in a friendly bicycle fight on the campus Thursday evening, succeeded in breaking Offield's bicycle, badly damaging the hind wheel.

Noises resembling shrieks and groans, as of some one in his death agonies, are heard daily from the chapel, but there is no cause for alarm as it is only Liberg taking his violin lesson.

Dave Jackson, who was with the boys Wednesday in their track work and who expects to train on the "Cad" field as soon as the track is completed, will be a valuable critic to the boys.

The subscription for the support of base ball and track work has been taken amounting to $67.25. This amount together with the gate receipts will probably meet the running expenses of the teams.

A certain "dorm" boy, very popular at the "Sem", was seen in conference with the two famous detectives, "Pistol Paul" and "Percival", the other day. The fellows that sent that yarn had better look out.

A good cavalry troop might be organized from the students of the "Cad." Although some of the boys do not ride well, with sufficient practice a troop almost equal to Caesar's famous tenth legion might be organized.

The flight of a Tartar Tribe is found by the 4th English class to be very interesting. This is studied two days in the week while the other three are devoted to poetical masterpieces of the 17th, 18th, and 19th centuries.

Three of the "Cad" alumni of last year, students at Williams College, deserve mention at this time. A. Hoyt has been elected captain of a company of volunteers from the college. Pood Chandler is captain of the freshman base ball team. Baldwin has gone to Chattanooga and expects to go on to Cuba soon.

The happiest and proudest man on the campus is Principal Welch. Why shouldn't he be? Friday morning his face was wreathed in a smile a yard in circumference as he announced the good news "it is a boy." The youngest, Charlie Linnell Welch, begins his voyage of life with eleven pounds averdupois to his credit.

There was a young girl had two beaux,
The best looking wun's name woz Meaux,
But tored the cleanx
Ov hiz call he wud deaux
And make a great noize with his neaux.
FERRY HALL NOTES.

Miss Winnifred Westervelt spent Sunday at Joliet.

Miss Carolyn Williams spent Sunday in Waukegan.

Mrs. Smith entertained the Senior class at tea on Thursday.

Miss Mary Foster was obliged to return home on account of illness.

Dr. William M. Sloane, of Eau Claire, Wis., visited Ferry Hall Thursday.

We are glad Mrs. Hawley, after a prolonged illness, is able to be about the house again.

All important question: "Where were four of the haughty seniors at 12:15 Thursday noon?"

Several of the dear Ferry Hall girls hate to leave the campus since the trees have begun to bud.

Mr. and Mrs. Hotchin, of White Pigeon, Mich., visited their daughter Jane three days this week.

The War song concert on Saturday evening, May 14, will be very entertaining, and well worth hearing.

The Misses Fonda, Montelius, Payton, Helen Payton, Penwell, Dichl and Williams spent Sunday in the city.

A new sign has appeared in the Senior corridor: "Dress making, slow but sure, five hours for one ruffle.—Grandma."

Miss Johnson and Miss Syvertson, alumni of Ferry Hall, took dinner with Miss Huizenga and attended the concert Friday evening.

The Misses Maud Douglas, Anna May Woodbridge, Hammond, Follansbee, Miriam Follansbee, and Grace Follansbee spent Sunday at home.

Great excitement prevailed in Senior corridor all the week, reasons: 1. Photographer to be visited on Saturday. 2. New gowns and bonnets delayed. 3. —.

Several of the young ladies from Ferry Hall attended the Art Institute meeting Thursday and enjoyed a very pleasant evening. The subject of the talk was very unique, being "The Boodling of Dante."

Morning—Tennis, Noon—Tennis, Afternoon—Tennis, Evening—Crankiness. Exclamations, "Leave me alone!" "Don't talk to me!" "Get out!"

Ferry Hall was honored by a visit from Chancellor McLean, of Lincoln University, Nebraska. He spent the day visiting classes at Ferry Hall, the Academy and University. In the evening Chancellor McLean was entertained at dinner by Miss Sargent, with his old tourist friends, Mr. and Mrs. Yaggy, Dr. and Mrs. Walter Smith, Dr. and Mrs. McClure, Prof. and Mrs. Thomas, Miss Brown and Prof. Stuart.

MICHHELL HALL.

Mrs. R. H. Stewart, of Hebron, was the guest of Miss Glendora Stewart on Monday.

The friends of Miss Williams were glad to welcome her Friday, after an absence of several weeks.

Miss Mary Byllesby, of Hyde Park, visited her cousin, Miss Josephine Byllesby, over Sunday.

The following program was given by Aletheian Friday:

Music...Misses Kelsey and McClenahan. Reading.............Miss Douglass. News of the Week........Miss Sickels. Debate.......Misses Miller and Wood.

Entered in the Post Office at Lake Forest, Ill., as second-class matter.

In view of the rush of business in our publishing house it has been deemed best by the STENTOR management to issue the STENTOR on Wednesday afternoon instead of Tuesday, and this will be continued now till the end of the year.

As the end of our STENTOR year draws near, we wish to make another demand on our patrons for “cash on subscriptions.” The management of the STENTOR has made arrangements whereby Messrs Rice & Carron, of the College Book Store will receive payment for subscription to the STENTOR. It has been customary in past years for our subscribers to withhold payment till called on by a member of the staff in person, but we hope this year that the fact will be considered that the management has not the time for such methods of collection and people will make an effort to pay us without waiting for a call and thus save us the extra time and trouble. Payment for subscriptions may be made to Mr. Jackson, Mr. Graff or Mr. Knouff, and receipts will be given by them for the same.

PIANO RECITAL AT FERRY HALL.

The event of the last week at Ferry Hall, aside from the war fever and several cases of a new malady known as palpatio Athenaeana, was the piano recital given on Friday by Miss Pauline Neal, assisted by Miss Clara Ewing Zollars, of Fort Wayne, Ind. The audience was made up of a large number of the Ferry Hall household, a number of townspeople, and a very select representation from the college. The program was so varied and interesting that it is here printed in full:

PROGRAM.

GRIEG, Sonata Op. 7 in E minor.
I Allegro moderato.
II Andante.
III Mennetto.
III Finale allegro molto.
MISS PAULINE NEAL.

SCHUMANN, I Ne'er Will Roam From Thee.
Moonlight.
Woman's Love.
Th'or' Like a Tender Flower.
MISS CLARA EWING ZOLLARS.

MISS NEAL.

LUCKSTONE, Delight (Waltz Song).
MISS ZOLLARS.

Impromptu in A flat, Op. 29.
MISS NEAL.

GANZ, The Nightingale's Trill.
TOSTI, Mattinate.
ROGERS, At Parting.
DENZA, A May Morning.
CHAMINADE, Summer.
MISS ZOLLARS.

NOWZKOWSKI, Air de Ballet.
MISS NEAL.

Perhaps the chief impression from Miss Neal's program was the unusual memory which she showed in carrying through her numbers without a note of music before her, and yet without faltering or apparent effort. This, with excellent technique, gives much promise for her future. In the ———— num-
bers, the Chopin Impromptu and the Mowzowski Air, she played with much freedom and enthusiasm and quite carried her audience with her. Ferry Hall should put in a claim for a recital from Miss Neal two or three years from now, with confidence of a delightful entertainment.

Miss Zollars gave the audience a generous sheaf of good songs. Her voice and manner were pleasing; she sang with good attack and facility of technique; the Waltz Song and the Chaminade especially were greatly enjoyed.

Professor Eager's part in the program here receives the acknowledgment which the audience had no opportunity of giving on Friday.

ATHLETICS.

Sixteen men are now trying for the academy track team.

The Juniors of the academy will hold a field day Saturday May 7, at 9:30.

On account of rain last Saturday the Alumni game of base ball was not played.

Rain compelled the academy ball team to return from Evanston last Saturday without playing.

The treasurer of the Athletic Association will be glad to receive the subscriptions to the Athletic Association.

The base ball team of the college are in need of some money and if those who have promised to give will now pay in we will be able to go on without difficulty.

The University Field Day will be held on Saturday May 14, on the academy field. Teams from Law, Rush, Academy and College will be entered. Hand entries to F. A. DuBridge.

The "Cad" athletic field is the scene of activity other than that of athletic sports.

A large force of men and teams are putting in the running track, and if the weather permits it will be ready for use by Saturday of this week. It is to be 5½ laps to the mile and made of a mixture of clay and cynders, and will be a fast track considering the length—a 120 yards straight away will be on the west side. With the track in, the academy has the best athletic field of any in the league.

THE COMMENCEMENT BULLETIN.

We are interested to learn that the Commencement Bulletin will again have its place in the enterprises of Commencement week. The Daily Commencement Bulletin is issued every evening during the week of Commencement at Lake Forest, and is probably the only paper of its kind in existence. Its reading matter consists of the freshest news of the University and a small amount of literary matter. The profuse illustrating of the Bulletin and the interesting commencement news which it contains have won for it a large circulation in years past, and this year it will undoubtedly keep up its high standard of excellence and popularity.

The Commencement Bulletin was established in 1893 by Siegfried E. Gruenstein, now connected with the Chicago Evening Post, and Burwell S. Cutler, who has recently attained considerable popularity on the stage. Mr. Gruenstein was at the head of this Journal for four years in which time the Bulletin made steady and rapid growth from a three-column, four-page paper in large type to four-columns, six-pages, printed in brevier. Mr. Gruenstein's popularity and acknowledged enterprise built the paper up to what it now is, and he still takes a considerable interest in its welfare.

Last year the Bulletin was under the management of Mr. Coleman. The staff for this year will be announced later.
ALUMNI.

Our Alumni were to have played a game of ball with the Undergrads last Saturday but owing to the bad weather they were obliged to return to the city minus the victory which they seemed to expect so assuredly. Among those of the Alumni who came out expecting to play were many old time stars. Billy Wise in days gone by was one of Lake Forest's famed catchers, and Saturday came as captain of the all-star team. Ed. Wells, a first baseman long ago, Hayner, who pitched fast ball in his early days, and Bloomingston, who won fame in Michigan after leaving Lake Forest, and when here was called "Little Bloomey." These with half a dozen other men formed the nucleus of the team.

It is to be hoped that a game can be arranged in the near future to take the place of the one postponed.

The Alumni Club of Chicago held its regular monthly meeting at the Briggs House Monday night and a large number were present and took dinner. These meetings are gaining more and more in popularity and attendance, and the Alumni Club is becoming a strong organization.

WAR SONG CONCERT.

Arrangements are being made for a concert to be given at the Art Institute, Saturday evening, May 14. This concert will be well worth hearing, and will consist of Patriotic and National songs and airs given by vocal and instrumental choruses. Several soloists from Chicago have been engaged and Professor Eager will take part in this concert. On the whole it will be a rare musical treat.

The price of admission will be 35 and 25 cents.
